### McFarlan Home Resident Volunteer Program

Residents, no matter the age, physical ability, or experiences, love to give back to the community and have purpose. McFarlan Home residents are going out into the community and even making homemade items to provide to community organizations.

Most recently, McFarlan Home partnered with the Bridon Child Development Center, where residents volunteer at the Center for their grandparents program.

As shown in the pictures to the left, residents came together to make homemade dog treats to donate to the Flint Humane Society. Our residents love giving back!

There are opportunities all around you to give back; volunteer today!

## Resident Spotlight

**Bessie Miller** is one of McFarlan's newest residents, yet one with a lifetime of experience! In June, we were able to celebrate Bessie's 95th birthday with her.

Bessie was born and raised in Alabama. She had two of her five children in Alabama before moving to Michigan in the early 1940s. Her first husband got a job as a millwright converting plants into automotive plants and the family moved to Flint.

Bessie has five children and grandchildren that she loves and adores. She retired at age 73 after being a public bus driver in the City of Flint for 15 years. Bessie spends most of her time with her family, making memories and enjoying life.

## Court Street Village West Renovation Update

In August, we will begin the flooring project in Court Street Village West. Please be patient as we upgrade!

## Fair Fun

Across the country, summertime fun may include a trip to a state fair. You'll find America's largest in Dallas, where the Texas State Fair draws more than 3 million people every year. The title of the nation's first goes to the Great New York State Fair, held annually in Syracuse since 1841.

In the Flint area, the Genesee County Fair will be held this year from August 20th to August 26th in Mount Morris. Be sure to visit if you get a chance!

## From the Court Street Village Office

Neighbors and Friends,  
Just a friendly reminder to clean up after your pets!

Court Street Village has designated areas for your pets to enjoy the outdoors and take care of their business, but please be sure to clean up after them. This courtesy allows all of our residents to comfortably enjoy the outdoors in this beautiful summer weather!

Thank you for doing your part to keep the community clean!
