Honoring Old Glory

In 1916, President Woodrow Wilson officially established June 14 as Flag Day. It honors the day in 1777 when the first version of the flag, featuring 13 stars and 13 stripes, was adopted as the nation's official flag.

Sensara Pilot at McFarlan Home

For the next three months, McFarlan Home will be piloting a motion monitoring system by Sensara.

We have 8 residents, who are at high risk for falling, participating. Sensara is a Dutch company that has been developing technology to improve the quality of life for older adults for the past 15 years.

McFarlan is so excited to be the second U.S.-based senior living organization to test Sensara's motion monitoring system. For more information, please visit www.https://sensara.eu/en/.

Remember When: Porch-Sitting Season

Before air conditioning was a common feature in most American homes, many folks took to front porches to find cool relief. There, they gathered to catch a breeze in the open air, sip a cool beverage and chat about their day. Porches served as social hubs, and neighbors and friends were often invited to pull up a chair and "sit a spell."
