Projects at Court Street Village

We have several building projects happening at Court Street Village in 2019:

- We are currently finishing up the restoration from the water damage that we had during the extreme cold this winter in Court Street Village East and West.
- The new generator will be installed in Court Street Village West this summer.
- Construction will be starting on the senior health center in Court Street Village East this summer.
- The fire system upgrades in both Court Street Village East and West will start this summer.
- The new security cameras will be installed in Court Street Village East by the fall.
- Window coverings will be installed in the Court Street Village West common areas before the end of the year.

Security at Court Street Village

McFarlan Villages has contracted with Teachout as the security company that serves Court Street Village. The officer patrols our parking lots and the outside of the buildings at night and in the early morning.

Any lights that are out in the parking lot will be fixed in the next few weeks. There is some underground wiring that can be replaced now that the weather is getting warmer.

Please be aware of your surroundings, day or night. Report any suspicious people or activities to the business office and keep all valuables out of sight if you own a car. Thank you!

Volunteers Needed for Spring Cleanup and Planting

It's that time of year again! After a long, hard winter, it is time for us to start to beautify the grounds of Court Street Village. If you love yard work and gardening and/or know the type of plants and flowers that would thrive on our campus, we need your help! Please sign up in the business office if you are interested in this important volunteer opportunity. We will select a date once the cold is finished and the trees start to bloom!

Village Victory Cup Information

Please sign up to help McFarlan Villages win the 2019 Village Victory Cup on Friday, June 21st! Practices are every Saturday in the community room at Court Street Village East and at McFarlan Home starting this month. Please let Cindy Sherry or Brittany Harvey know if you are interested.

Village Victory Cup Feature

James Riley, a longtime resident of Court Street Village, came to Court Street Village shortly after being laid off from his job in the roofing and home improvement industry. The job loss soon made him depressed, but he found new purpose in a volunteer position as an on-call resident there.

When Court Street Village first began participating in Presbyterian Villages of Michigan's Village Victory Cup, James was the first person the staff thought of to ask for help with organizing and coaching the Village's seniors to victory! Three years later, James still assists with organizing and training for the annual event.

James loves working with and encouraging the seniors to perform their best and gets them excited to win. He takes a lot of pride in the coaching and training he is able to provide for the Village's seniors.

Shining Star

Resident Shining Star

Florence Taylor moved into Court Street Village in September of 2017. Her plan was to stay one year then move closer to her family out of state. After living here for a year, Florence started to become more and more aware of the needs of the seniors in her community. She decided to stay and open a nonprofit organization to help disadvantaged seniors with material things they desperately need but cannot afford. Florence has made an impact on well over twenty seniors, helping them get beds, stoves, coats, linens, and, in some cases, monetary donations.

We like to think of Florence as our Court Street Village angel!
